Manufacturer's Warranty

of

HEDI GmbH Elektro- und Gerätebau

Schöneggweg 17

D-87727 Babenhausen

Our warranty includes products by HEDI, which are marked with the HEDI warranty-logo either directly on the product or on the products' original packaging.

The warranty period for these products is three years. It becomes effective from the day of purchase by an end customer.

The end customer is every consumer who buys the product.

The proof of warranty entitlement requires the presentation of a specified purchase receipt (receipt, delivery note or invoice of the seller). A short description of the defect as well as the exact contact details of the end customer are mandatory. A prior registration is not necessary.

Possible material and manufacturing defects of the device. The warranty service consists of repairing such faults free of charge, after the faulty device has been returned for repair or replacement.

If the defective product is no longer manufactured at the time of the warranty case, HEDI is entitled to deliver an equivalent product in case of replacement.

Batteries, rechargeable batteries, replaceable lamps and thermal circuit breakers are excluded from the manufacturer's warranty

This manufacturer's warranty and its provision are a voluntary service of HEDI GmbH, claim of warranty service is also voluntary. The claim as well as the non-claiming of our manufacturer's warranty have no disadvantages regarding the legal claims which exist to us, as well as to the selling dealer or others.

The legal rights of the consumer are not limited by our manufacturer's warranty; this also applies to his rights towards the seller.

Please note that defects due to improper use or external intervention are excluded from the warranty. To avoid damage in transit, the product must be sent in stable and unbreakable packaging and wrapped accordingly.

Our warranty services neither renew nor extend the warranty period. Replaced devices or components become our property.
